

WEEKLY REPORT
Air Division
Environmental Protection Agency
Region 9
Week Ending December 16, 2016

Significant Items for Last Week (December 12 – December 16)

North Coast Air District Federal Implementation Plan (FIP) Rule: On December 14, the Acting Regional Administrator signed a Federal Register notice proposing to implement a narrow Prevention of Significant Deterioration (PSD) FIP pertaining to the regulation of PM_{2.5} major source emissions. We are taking this action because North Coast has failed to submit revisions necessary to update its existing PSD program to address new requirements for PM_{2.5}. This action is under a consent decree for a final signature by the Administrator by March 15, 2017. (Contact: Laura Yannayon, 2-3534)

Approval of Ajo and Morenci SO₂ Plans: On December 16, the Acting Regional Administrator signed a direct final Federal Register notice approving two second ten-year maintenance plans for SO₂ maintenance areas in Ajo (Pima County, Arizona) and Morenci (Greenlee County, Arizona). (Contact: Wienke Tax, 7-4192)

Significant Items for This Week (December 19 – December 23)
